The City of Mesa, Arizona Department of Procurement was the lead agency issuing RFP #201811 on September 20, 2017, to establish a national cooperative contract for information technology solutions and services in partnership with the National Intergovernmental Purchasing Alliance Company.

The National IPA is one of the nation's largest cooperative purchasing organization for the public sector with the specific purpose of reducing procurement costs by leveraging the volume of products and services. National IPA selected specified companies, including CDW-G to provide technology goods and services on favorable terms and prices through the National IPA Master Agreement. CDW-G has agreed to sell specified Adobe products to the County on these favorable terms, which include a 4.0% discount on price.

Adobe delivers the world's leading creative desktop tools, mobile apps, and software-as-a-service capabilities that enable County users to work effortlessly across desktop and mobile devices. In addition, Adobe provides tools for authoring eLearning courses with mobile ready courses that are compatible with the County's Learning Management System and Video Conferencing Services. Adobe software is utilized by every department in the County to design and deliver informative and exceptional digital experiences to County residents and visitors, as well as, internal customers and business partners.

The National IPA Master Agreement, which will govern the County's purchase of Adobe products through CDW-G, contains terms which are non-standard to the County but which are common in the information

technology industry. The Director of Information Technology recommends Board approval in order to continue the current subscriptions county departments are currently utilizing

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed the National IPA Master Agreement and does not approve the following non-standard terms: non-standard cure of breach terms; force majeure provisions; non-standard insurance and indemnification terms; and non-standard warranty and acceptance terms.
