SUMMARY/DISCUSSION:

This new Mental Health Services Agreement with Catholic Charities CYO of the Archdiocese of San Francisco dba St. Vincent’s School for Boys will replace the current Agreement A-13295 with the County expiring on June 30, 2019. Catholic Charities provides specialty mental health services to children and youth placed at

their St. Vincent's School for Boys Short-Term Residential Program who have severe emotional and behavioral disturbances with a diagnosis indicating mental impairment, substantial impairment in areas of self-care, family relationships, and community/school functioning, and a history of severe acting out episodes, self-destructive behavior, or a history of inpatient hospitalization. The goal of the program is to provide therapeutic interventions to treat and ameliorate the behavioral health symptoms and improve function so that children and adolescents may move to a less restrictive and intensive treatment setting. These services also help to prevent placement into an inpatient hospital, out-of-state residential, or juvenile justice facility.

This Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2018-2022 Strategic Plan Initiative: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

County Counsel-Risk Management and Auditor-Controller have reviewed and approved as to legal form and fiscal provisions respectively.

FINANCING:

This Agreement is funded by Mental Health Federal Financial Participation (MH FFP) (35%), 2011 Realignment-Early Periodic Screening, Diagnosis, and Treatment (EPSDT) (15%), and Special Education Local Plan Area (SELPA) funding (50%). The funds for FY 2019-20 have been included in the Health Department's Behavioral Health Bureau (HEA012, Unit 8410) FY 2019-20 Requested Budget. The funds for this Agreement FY 2020-21 and FY 2021-2022 will be included in the respective Health Department Health (HEA012, Unit 8410) FY 2020-21 and FY 2021-22 Requested Budgets.
