### RECOMMENDATION:

It is recommended that the Board of Supervisors:  
 Approve and authorize the Director of Health or Assistant Director of Health to execute a Social Work Field Practicum Agreement between the Monterey County Health Department (“MCHD”) and San Jose State University (“University”) for students to obtain practical, clinical experience at MCHD for the period of October 1, 2015 to September 30, 2016.

### SUMMARY/DISCUSSION:

MCHD requests the Board of Supervisors to approve a Social Work Field Practicum Agreement for students enrolled at University who require practical, clinical experience towards earning their Master of Social Work during the period of October 1, 2015 to September 30, 2016. While providing “real world” experience for student interns, MCHD is positioned to attract University graduates to apply for future job openings, thereby creating a pipeline for students who have Spanish language skills and a desire to pursue their social work career in Monterey County.
