RECOMMENDATION:

It is recommended that the Monterey County Water Resources Agency Board of Directors:

Receive the Monterey County Water Resources Agency FY 2018-19 First Quarter Financial Status Report through September 30, 2018.

SUMMARY/DISCUSSION:

Year to date revenues for most of the Agency’s funds are at 3% of budget. The Agency receives most of its revenues from special assessments in December and April. Hydro-electric revenue is at 0.35% of budget from receiving the month of April’s revenue. Hydro electric revenue is usually three to four months behind. The Agency expenditures are at 42% of budget partially for staff and consultant costs to complete the Federal Energy Regulatory Commission (FERC) and the California Department of Water Resources - Division of Safety of Dams (DSOD) compliance requirement and spillway repair work plan preparation for Nacimiento and San Antonio Dams. The Agency continues to monitor expenditures as it may result in additional costs this fiscal year after the initial evaluations are reviewed by DSOD.

On a consolidated basis, the Agency financial performance up to 3rd period of the accounting month is projected as follows:

FY 2018-19 Estimated Beginning Fund Balance	\$18,476,791
