## SUMMARY/DISCUSSION:

On December 20, 2022, the County of Monterey reached a tentative agreement on a multi-year agreement with the County Employee Management Association (Unit X). It has been the practice of the Board to provide similar base wage increases, benefits, and special pays to unrepresented units including Units Y and X similar to what SEIU received. Since management Unit X is represented and can negotiate, the Human Resources Department is recommending Units Y and ZX follow the base wage salary increases, benefits, and some special pays negotiated by Unit X to ensure equity among the management and executive management classifications and to avoid compaction issues. In addition, there are classifications in Unit ZX that are also in Unit X and should maintain the same base wage, benefits, and some special pay provisions.

For these reasons, the Human Resources Department recommends the Board approve the amendments to the Personnel Policies and Practices Resolution (PPPR) as indicated in Attachment A.

## OTHER AGENCY INVOLVEMENT:

The Human Resources Department has conferred with the County Administrative Office and the Office of the County Counsel regarding this matter.

#### FINANCING:

The estimated cost for base wage increases and special pay provisions for Unit Y and ZX for the remainder of FY 2022-23 is approximately \$690,687.46, or approximately \$1,493,652.84 annually.
