

services including specialized and intensive care, supports, and 24-hour supervision on a short-term basis for children and youth with complex and severe needs. The goal of the program is to provide therapeutic interventions to treat and ameliorate the behavioral health symptoms and improve functioning so that children and adolescents may move to a less restrictive and intensive treatment setting. Victor Treatment Centers, Inc. has been providing services to Monterey County youth who require the highest level of care to prevent their placement into an inpatient hospital or out-of-state residential or juvenile justice facility. This Agreement is delayed in being brought before your Board due to the vendor required additional time to provide the required signature pages and insurance documentation.

This Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2018-2022 Strategic Plan Initiative: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.
