Assistance Act (CDAA)

SUMMARY:

This resolution will designate the local government staff titles of County Administrative Officer, Chief Assistant County Administrative Officer and Director of Emergency Management as having the authority to execute documents and coordinate with CalOES on behalf of the County of Monterey as required for participation within CalOES Authorized Agent protocol of the CDAA Program.

DISCUSSION:

The County of Monterey experienced significant widespread damage from a succession of winter storms consistently each year and is in the process of managing several disaster and pandemic events. County staff is actively working with CalOES to secure CDAA funding for reimbursement with the recent winter storms. An application has been submitted by the Department of Emergency Management for the County to participate in State and federally funded programs aimed at aiding local jurisdictions. Due to DEMs reorganization CalOES requested an update to CalOES Form 130 Agent Authorization for the CDAA program designating County staff titles as authorized representatives. The designees will execute assurance, applications, documents, and claims for the purposes of obtaining financial assistance. The State and federal administrative requirement designate a staff position by title rather than an individual name to eliminate the need to submit a new Resolution to the Board each time there is a change in personnel.

OTHER AGENCY INVOLVEMENT:

DEM coordinates applications and reporting efforts for the County of Monterey. The Auditor-Controller's Office may be required to validate financial documentation, and to receive and distribute funds. The County Administrative Officer (CAO) oversees DEM operations. At their July 26, 2023, meeting, the Budget Committee supported their recommendations.
