SUMMARY:

Over the last five (5) years, the County of Monterey’s Resource Management Agency (RMA) has established several on-call agreements by prequalifying professional firms in specialized fields. The purpose of having on-call consultants is to expedite the procurement process when needing specialized expertise from a professional firm when County staff lacks the expertise or when the volume of work exceeds RMA’s capacity. These on-call agreements are utilized across the RMA, and at times used by other County Departments, for specialized expertise as needed for specific operations and capital projects.

The recommended action will provide prevailing wage and labor compliance monitoring services as it relates to construction at the East Garrison’s Development Project upcoming Phase 3 Infrastructure Improvements, Phase 2 Inclusionary Housing (CHISPA (Community Housing Improvement Systems and Planning Association, Inc.)), and Phase 3 Vertical Improvements (Residential Houses and Town Center Commercial Development). Amendment No. 3 to the Agreement with The Labor Compliance Managers will increase the not to exceed amount of \$232,400 by \$120,000 for a total amount not to exceed \$352,400 and extend the expiration date from December 31, 2017 for one (1) additional year through December 31, 2018, for a revised term from December 1, 2013 to December 31, 2018. Additional time and further extensions beyond the original term authorized per RFQ #10422 may be required on an “as needed” basis to complete all work for this technically complex proposed Project.

Attachment E provides a summary of the Agreement to date.

DISCUSSION:

To date, the RMA has issued five (5) task orders (TO) to The Labor Compliance Managers to provide prevailing wage and labor compliance monitoring services for discrete portions of the East Garrison Development Project:

TO #	Project	Amount Authorized	Cost to Date

2	Phase 2 Infrastructure	\$57,694	\$57,694
3	Phase 3 Demolition	\$18,000	\$14,300
4	Lincoln Park	\$26,000	\$21,655
5	Fire Station	\$70,706	\$0
	TOTAL	\$232,400	\$125,245

The County desires to amend The Labor Compliance Managers' Agreement to continue to provide prevailing wage and labor compliance monitoring services for the following upcoming portions of the East Garrison Development Project:

TO#	Project	Amount
6	Phase 3 Infrastructure	\$80,000
7	Phase 2 Inclusionary Housing (CHISPA)	\$10,000
8	Phase 3 Residential & Town Center Commercial	\$30,000
	TOTAL	\$120,000

There are future components of the East Garrison Development Project that will also require labor compliance monitoring services, and which will require future amendments to the on-call Agreement with The Labor Compliance Managers:

- Phase 3 Inclusionary Housing (Art Space)
- Phase 3 Historic/Arts District Development (Successor Agency)
- Phase 3 Library/Sheriff Field Office

OTHER AGENCY INVOLVEMENT:

The Office of the County Counsel and the Auditor-Controller's Office have reviewed and approved Amendment No.3 as to form and legality, and fiscal provisions, respectively.

FINANCING:

The FY 17/18 Recommended Budget includes \$94,644 in appropriations in Fund 182, Appropriation Unit DEO028 for anticipated costs for expenditures related to Amendment No. 3. Should additional funds be required, RMA will return to the Budget Committee and Board of Supervisors to request additional appropriations. All costs are to be reimbursed by the East Garrison Development Project developer. There is no impact to the County General Fund.
