**SUMMARY/DISCUSSION:**

Crestwood Behavioral Health, Inc. has provided mental health services for approximately 15 years, and for 30 years prior under the previous corporate umbrella of Crestwood Hospitals. Crestwood has 18 California facilities ranging in size from 12 to nearly 200 beds, four of which are covered under the terms of this Contract. Crestwood's programs provide recovery oriented psychiatric services to adults, older adults, and transition-aged youth with severe and persistent mental health illnesses. Crestwood provides intensive treatment programs with a high level of security and education to assist clients to live independently. Crestwood treatment services

include an individualized program to meet the specific needs of each client, and a structured regimen with services to assist clients in their development of new skills.

The County currently maintains Agreement A-13916 with Crestwood Behavioral Health, Inc. which will expire on June 30, 2019. This new Agreement continues the past relationship with Crestwood Behavioral Health, Inc. into the next FY, providing for a continuum of services to Monterey County clients. The Agreement includes and extends the expiring FY 2018-19 contract provisions with two Crestwood Mental Health Rehabilitation Centers and two Skilled Nursing Facilities, helping to maintain County treatment options for older adults.

The approval of this Agreement will provide the necessary resources and increase the options for clients to be placed in a facility that best suits their needs and to live in the least restrictive community setting as possible. This Agreement meets the requirements of the State Welfare and Institutions Code 5600 (Bronzan-McCorquodale Act), the California Code of Regulations Titles 9 and 22, and sustains the continuity of care services to seriously mentally ill clients of Monterey County.

This Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2018-2022 strategic plan initiative: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

County Counsel-Risk Management and Auditor-Controller have reviewed and approved this Agreement as to legal form and fiscal provisions, respectively.

FINANCING:

This Agreement is 100% funded by 1991 Mental Health Realignment revenues. The funds for this Agreement (\$1,388,095) are included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2019-20 Requested Budget.
