SUMMARY/DISCUSSION:

The American College of Surgeons National Surgical Quality Improvement Program (ACS NSQIP®) is a database and reporting system that provides Natividad Medical Center (NMC) with fact-based information needed to make quick, confident decisions in support of the hospital's quality improvement initiatives. The database and reporting system allow NMC to: evaluate performance as compared to peer hospitals; and evaluate outcomes, complications, and risk-adjusted mortality. The database and reporting system allow NMC to compare patient-care patterns among physicians and compare expected results to observed results. Participation in ACS NSQIP® satisfies the Centers for Medicare and Medicaid Services (CMS) surgical quality measure requirement (NQF #0493), "Participation in a Systematic Clinical Database Registry for General Surgery."

Ratification to the original agreement is requested because these types of Participation Agreements have not traditionally gone before the Board for approval in past years, they have been approved internally until recently. These agreements typically have non-standard risk provisions. Natividad has been advised to submit these agreements for approvals as with other service agreements which have non-standard risk provisions.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel previously reviewed and approved this agreement and has reviewed and approved this renewal and amendment No. 1 as to form. The Auditor-Controller previously reviewed and approved this agreement as to payment provisions and has reviewed and approved renewal and amendment No. 1 as to payment provisions. This agreement and renewal and amendment No. 1 have also been reviewed and approved by NMC's Finance Committee and by its Board of Trustees on November 12, 2021.

FINANCING:

The cost for this agreement was \$10,000 of which \$10,000 was included in the Fiscal Year 2020-2021 Adopted Budget. The cost for this renewal and amendment No. 1 is \$12,500 of which \$12,500 is included in the Fiscal Year 2021-22 Adopted Budget.
