### SUMMARY/DISCUSSION:

The County currently has a two-year Agreement A-15296 for a current contracted dollar amount of \$8,811,899 with Community Human Services. This Amendment is retroactive to July 1, 2022, in order to update Narcotic Treatment Program (NTP) and Medication Assisted Treatment (MAT) rates as published by the California Department of Health Care Services (DHCS) and increase funding for these NTP and MAT services for additional services to be provided in FY 2022-23. This Amendment is retroactive to July 1, 2022, due to the negotiation of increased service delivery and an update of rates published by DHCS for this FY 2022-23.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Goal(s): 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services

and assure the provision of health care when otherwise unavailable.
