RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve and Authorize the Contracts/Purchasing Officer or Contracts/Purchasing Supervisor to sign Agreement with Coley Heath Investigations for an initial term of May 14, 2019 (retroactive) to May 13, 2021 for a total agreement amount of \$50,000.00; and

SUMMARY/DISCUSSION:

The Monterey County Sheriff's Office (MCSO) request approval of this Agreement. MCSO is required to perform background clearances on all its personnel. Peace officer candidates have minimum selection standards as detailed in Government Code Sections 1029-1031.2. Additional restrictions are placed on peace officers by Penal Code 29805, which states that those who have committed specific misdemeanors cannot possess a firearm for ten (10) years, unless they are able to petition the court and seek injunctive relief. If relief is not granted by the court, an applicant would be disqualified from being a peace officer. United States Code Title 18 Section (d) (9) states that those convicted of offenses containing the elements of domestic violence cannot possess a firearm, which would also disqualify a candidate from consideration.

The Commission on Police Officer Standards has terms that must be met by all sworn candidates, as delineated in Commission Regulations 1950-1955. These regulations cover citizenship requirements, age, education, clearances based on fingerprints, reading and writing tests, oral interviews, medical and psychological evaluations and background checks. The background check portion of these standards requires the Sheriff's Office to collect and review personal history statements, past employment, driving records, credit history, military service, and previous tenancy history.

The Sheriff's Office must also background check all non-sworn employees (professional and jail support staffs) which adds significant time delays to filling positions, particularly those positions within the accounting area. The accounting area traditionally has a much smaller pool of applicants and they are in demand, countywide.

The Board is being asked to approve payment on two invoices for work which occurred prior to contract renewal. This is not a sole source contract; the Sheriff utilizes the services of other vendors to provide polygraph services and background clearances too. This agreement is retroactive due to MCSO being without a contract's manager for over seven months.

A copy of this Agreement is on file with the Clerk of the Board.

OTHER AGENCY INVOLVEMENT:

County Counsel, the Auditor-Controller, and the Contracts/Purchasing Department have reviewed and approved this Agreement as to legal form, fiscal provisions, and insurance requirements, respectively.

FINANCING:

The \$2,900.00 payment is covered within the FY 2018-19 budget. The cost of this contract was included in the proposed FY 2019-20 budget and will not create an increase in General Fund Contribution resulting from this Board action. There is anticipated increase built into the amendments.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

This contract meets the Board's strategic initiatives by hiring qualified employees to enable it to meet the Board's desire to:
