b. Adopt a resolution making findings of significant public benefit by the Fort Ord Reuse Authority to finance projects within the boundaries of the County.

**RECOMMENDATION:**

It is recommended that the Board of Supervisors:

a. Hold a public hearing regarding the consideration of bonds being issued by the Fort Order Reuse Authority for use in removing blighted buildings on the former Fort Ord; and  
b. Adopt a resolution making findings of significant public benefit by the Fort Ord Reuse Authority to finance projects within the boundaries of the County.

**SUMMARY/DISCUSSION:**

The Fort Ord Reuse Authority (FORA) sent a letter requesting that Monterey County hold a public hearing relative to their consideration to issue bonds for building removal projects in the former Fort Ord area (Exhibit A to Attachment A). The FORA Act incorporates bond issuance provisions of the Marks-Roos Local Bonding Pooling Act of 1985, and FORA has determined that a precondition to the issuance of bonds by FORA is that a local agency within whose jurisdiction the building removal projects will be carried out hold a noticed public hearing and adopt public benefit findings. FORA has requested the Board of Supervisors hold a public hearing to find that the use of bond funds on and within the Project Area of the former Fort Ord is of public benefit to the region.

The recommended action to conduct the noticed public hearing and adopt a resolution making findings of significant public benefit will allow FORA to continue to perform preparatory work to issue bonds, however, it is not yet decided if FORA will pursue bonding.

A draft resolution is provided as Attachment A for your consideration.

OTHER AGENCY INVOLVEMENT:

RMA represents the County on the FORA Administrative Committee, which is considering the bond issuance. The County Administrative Office, the Office of County Counsel, and RMA are part of the County's FORA transition team.

FINANCING:

RMA staff time and bond counsel time to evaluate the proposed bond issuance and prepare this report is funded as part of the FY 2019-20 Adopted Budget for the RMA, Fund 001, Appropriation Unit RMA013.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

Holding a public hearing and making findings of significant public benefit of FORA's proposed bond issuance for building removal on the former Fort Ord supports the Board of Supervisor's Economic Development strategic initiative by allowing the opportunity for blighted building removal which is a significant barrier to redevelopment on the former Fort Ord area.
