

(NOFA) were published in El Sol, the South County Newspaper Group and the Monterey County Weekly announcing that the Urban County anticipated having CDBG funds in the amount of \$1,168,660 for FY 2017-2018. The Urban County may use up to \$173,514 to fund public service activities and \$233,732 for general administration of the CDBG program. The balance of the funds must be used for projects.

On December 15, 2016, an application workshop for interested parties was held at the County Government Center. The Urban County received four applications requesting \$937,311 for projects to improve existing community facilities and to rehabilitate homes owned by low or moderate income households. The Urban County also received nine applications requesting \$308,814 for public service activities. On March 9, 2017, the Urban County Standing Committee (Standing Committee) reviewed the applications received for funding and made recommendations which have been incorporated into the Annual Action Plan (see Exhibit A - FY 2017-2018 Urban County Funding Recommendation).

After the Board of Supervisors takes action, the Annual Action Plan and the amended Consolidated Plan will be made available for public comment for a period of 30 days. The Annual Action Plan will then be brought back to the Board on May 9, 2017 for review of public comments and final approval. It is then submitted to HUD for approval. A copy of the final approved Urban County Annual Action Plan for Fiscal Year 2017-2018 will be made available on each participating jurisdiction's website and a hard copy will be available at Monterey County's Economic Development Department office and the city halls of Gonzales, Greenfield and Sand City.

The Annual Action Plan is not intended to, and shall not be interpreted to, constitute, directly a commitment by the parties to undertake or commence the Project prior to the completion of all necessary environmental reviews and all necessary permits have been obtained. County shall complete all NEPA requirements prior to the dispersal of any funds to the cities of Gonzales, Greenfield, or Sand City, and those cities will abide by and follow all applicable State and Federal law relating to any project for which said funds are applied, including but not limited to any necessary environmental review and CEQA.

OTHER AGENCY INVOLVEMENT:

The cities of Gonzales, Greenfield, and Sand City have partnered with the County to be re-qualified as a HUD designated Urban County. The City of Gonzales approved an allocation to make ADA accessibility improvements to their City Hall and Council Chambers. The cities of Greenfield and Sand City elected to roll their annual allocation over to FY 2018-2019. County staff made recommendations for county projects to the Standing Committee. Staff from the three cities and the county made recommendations to the Standing Committee in regard to programs. On March 9, 2017, the Standing Committee reviewed the applications and made recommendations on funding that are included in the Annual Action Plan. County Counsel has reviewed the Annual Action Plan as to form.

FINANCING:

This action does not change the current FY 2016-2017 appropriations, revenues or positions. The HUD grant is an annual agreement. If the County complies with grant requirements, the County may elect to continue to receive annual entitlement funding, subject to the federal budget process.

The Economic Development Department has prepared a budget request for FY 2017-2018 based on the FY 2016-2017 funding level plus \$11,900 from Program Income for Fund 13, Unit Code 8200 (Community Development Grants), Appropriation Code DEO 003. There is no impact to the General Fund as a result of the Board's approval of the Action Plan. Should the actual grant from HUD be less than the \$1,156,760 received in FY2016-2017, the amount made available to subrecipients will be reduced on a pro-rata basis.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

Authorizing the Urban County to post the FY 2017-2018 Action Plan is the first step toward making an anticipated \$1,168,660 available to help local jurisdictions make improvements to public facilities and non-profit agencies to create new housing opportunities for the psychiatrically disabled, provide food security, help develop children and youth develop the social skills they need to be successful in life and help homeless veterans transition into housing.
