SUMMARY:

The Monterey County Sheriff's Office is recommending the approval of a multiyear agreement with GEO Reentry Services, LLC to provide reentry services for adult offenders under Monterey County Sheriff's Office supervision.

DISCUSSION:

Reentry Services for the Monterey County Sheriff's Office were solicited via a County Request for Proposal (RFP#10582) overseen by the Contracts/Purchasing Department. The purpose of this short-term multidisciplinary "reentry" program is to provide adult offenders incarcerated at the Monterey County Jail with a structured reentry program prior to their release from incarceration. The program is intended to operate daily, Monday - Friday, and includes orientation, assessment, individualized service plans, substance abuse education/programming, cognitive and life skills development, parenting skills, family reintegration, and money management. Services will also include employability, resume building, educational courses, socialization courses, and transitional re-entry courses to prepare inmates to re-enter into the community to become productive citizens in Monterey County.

The reentry program will operate at the Monterey County Jail, 1410 Natividad Road, in Salinas. GEO Reentry Services, LLC's responsibilities also include prompt and direct communication with Sheriff's Office Personnel throughout the agreement.

If the County and Geo Reentry Services, LLC, elect to mutually renew the agreement, both parties must commence negotiations for any desired rate changes a minimum of ninety days (90) prior to the expiration of the agreement. Both parties shall agree upon rate extension(s) or changes in writing. The County reserves the right to cancel the agreement, or any extension of the agreement, without cause, with a thirty day (30) written notice, or immediately with cause. A copy of this agreement is on file with the Clerk of the Board.
