SUMMARY/DISCUSSION:

This Agreement with California State University Fresno Foundation (CSUFF) provides training to Monterey County Department of Social Services (DSS) Family and Children’s Services (FCS) staff and identified community partners for purposes of professional and leadership development and to improve outcomes for children and families as required by the Continuum of Care Reform (CCR) legislation.

As specified and authorized by DSS, CSUFF will work collaboratively with the FCS Staff Services Trainer, FCS Senior Management Team and FCS staff to support and assess training needs, and to develop and deliver an enhanced training program for Monterey County FCS. This includes training for new staff, on-going training for existing staff, and other specific audiences as designated by FCS. Training is provided on evidence-based and promising practices for engagement, assessment, teaming, service planning and delivery, and monitoring and adapting child welfare services. Specific skills covered include; skill development on identifying drug abuse in the home; structured decision making; child and family teaming; de-escalation; advanced investigation; reducing decision fatigue; adoption; and safe measures and evaluation.

This agreement includes nonstandard indemnification, termination, and confidentiality provisions. The Department recommends approval of the agreement to allow DSS to continue working with CSUFF to provide FCS staff the specific training needed.

OTHER AGENCY INVOLVEMENT:

The Auditor-Controller and Purchasing have reviewed and approved this agreement. County Counsel has approved the agreement as to form.

FINANCING:

This agreement is funded by Title IV-E Federal and State revenues for Foster Care trainings. The County's match will be provided by CSUFF through in-kind services. Sufficient appropriations and estimated revenues in SOC005 are included in the FY 2021-22 Recommended Budget.
