

ability to pay. BKD is an expert in Managed Care Settlement Reports with the Department of Health Services (DHCS) and highly experienced in FQHC financial reporting to the State and Federal government to maximize potential reimbursements. Since 2008, BKD has expertly assisted Clinic Services with multiple Managed Care Settlement Reports and, in 2015, provided invaluable guidance to Clinic Services in preparation for the first HRSA on-site visit audit in over eleven years. BKD is integral in ensuring Clinic Services is meeting requirements and maintaining compliance for FQHC licensure. Approval of the recommended action will provide the Health Department with continued revenue enhancement services from BKD.

While this work is not directly in support of a Health Department strategic initiative, it is in support of one or more of the ten essential public health services, specifically: (5) Develop policies and plans that support individual and community health efforts, and (6) Enforce laws and regulations that protect health and ensure safety.
