SUMMARY/DISCUSSION:

Natividad operates medical surgical units and an acute rehabilitation unit that provide direct patient care to hospitalized patients 24 hours a day, 7 days a week. In order to ensure sufficient staffing of these critical units with at least four physicians during the day and one physician at night who are immediately available to provide patient care, it requires a team of internal medicine and family medicine physicians, known as hospitalists. Natividad seeks approval of multiple agreements with multiple independent contractor hospitalist physicians to ensure sufficient coverage of this service. Natividad has obtained an independent opinion of fair market value supporting the payment terms.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved this Agreement as to legal form. Auditor-Controller has reviewed and approved this Agreement as to fiscal provisions. The Agreement has also been reviewed and approved by Natividad's Finance Committee and Board of Trustees.

FINANCING:

The maximum liability of these agreements in the aggregate is \$1,200,000. The actual cost is contingent upon each physician's level of service which fluctuates based on patient volumes and availability. \$600,000 is included in the Fiscal Year 2022/2023 Adopted Budget. There is no impact to the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The services rendered in this agreement provide Natividad with the additional support it needs in order to provide reliable and high-quality patient care which improves the health and quality of life for patients and their families.
