

Solutions, the County Behavioral Health Directors Association, and state-wide behavioral health non-profit agencies. In addition, Dr. Stanford is currently an Adjunct Professor at Cabrillo College Department of Psychology and Health Sciences teaching Physiology, Pharmacology and Psychology.

Dr. Stanford will provide a series of trainings to Behavioral Health Bureau (“BHB”) clinical staff on the use of the American Society of Addiction Medicine (ASAM) Criteria. This training will include a general overview of ASAM as well as instruction related to the proper use of ASAM Criteria for appropriate and consistent patient placements. Training will also include guidance for using the ASAM Criteria to determine the appropriate treatment of patients based upon their level of functionality and imminent danger, if any.

The Contractor has provided proof of Commercial General Liability and Automobile Liability insurance; however, cannot provide the General and Automobile additional insured and primary and non-contributory endorsements, as required by the County. In addition, the Contractor has provided Professional Liability insurance; however, at modified aggregate limits. The Health

Department recommends the modification to the insurance requirements as Dr. Stanford will not be providing direct client services nor transportation to clients or County staff.

This work supports the Monterey County Health Department 2011-2015 strategic initiatives: Empower the community to improve health through programs, policies, and activities; and supports two of the ten essential public health services, specifically: 3) Inform, educate, and empower people about health issues, and 4) Mobilize community partnerships and action to identify and solve health problems.

OTHER AGENCY INVOLVEMENT:

County Counsel and the Auditor-Controller have reviewed and approved the Agreement. Risk Management cannot accept the non-standard insurance modification.

FINANCING:

This Agreement is funded by Federal Funding Participation (FFP) and Realignment funds, which are included in the Health Department’s Behavioral Health Bureau (HEA012, Unit 8410) FY 2018-19 Requested Budget.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

Check the related Board of Supervisors Strategic Initiatives:

Economic Development:

- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

Administration:

- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability and transparency.

Health & Human Services:

- Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

Infrastructure:

- Plan and develop a sustainable, physical infrastructure that improves the quality of life for County residents and supports economic development results.

Public Safety:

- Create a safe environment for people to achieve their potential, leading businesses and communities to thrive and grow by reducing violent crimes as well as crimes in general.
