**RECOMMENDATION:**

It is recommended that the Board of Supervisors:

- a. Approve and authorize the Director of Health or Assistant Director of Health to execute a Standard Agreement with Mark William Stanford, Ph.D., Consultant for the provision of training services for a total Agreement not to exceed \$5,799 for the term beginning July 1, 2018 through June 30, 2019; and
- b. Approve non-standard insurance provisions in Agreement, as recommended by the Director of Health; and
- c. Authorize the Director of Health or Assistant Director of Health to approve up to three (3) future amendments that do not exceed ten percent (10%) (\$580) of the original Agreement amount and do not significantly alter the scope of services.

**SUMMARY/DISCUSSION:**

Mark William Stanford, Ph.D., has over twenty-five (25) years in behavioral science education including psychopharmacology, general psychology, clinical standards of care for substance use and co-occurring disorders, evidence-based treatments for mental health and substance use disorders, and addiction neuroscience for clinicians. Dr. Stanford is currently a clinical consultant for the California Institute of Behavioral Health

Solutions, the County Behavioral Health Directors Association, and state-wide behavioral health non-profit agencies. In addition, Dr. Stanford is currently an Adjunct Professor at Cabrillo College Department of Psychology and Health Sciences teaching Physiology, Pharmacology and Psychology.

Dr. Stanford will provide a series of trainings to Behavioral Health Bureau (“BHB”) clinical staff on the use of the American Society of Addiction Medicine (ASAM) Criteria. This training will include a general overview of ASAM as well as instruction related to the proper use of ASAM Criteria for appropriate and consistent patient placements. Training will also include guidance for using the ASAM Criteria to determine the appropriate treatment of patients based upon their level of functionality and imminent danger, if any.

The Contractor has provided proof of Commercial General Liability and Automobile Liability insurance; however, cannot provide the General and Automobile additional insured and primary and non-contributory endorsements, as required by the County. In addition, the Contractor has provided Professional Liability insurance; however, at modified aggregate limits. The Health

Department recommends the modification to the insurance requirements as Dr. Stanford will not be providing direct client services nor transportation to clients or County staff.

This work supports the Monterey County Health Department 2011-2015 strategic initiatives: Empower the community to improve health through programs, policies, and activities; and supports two of the ten essential public health services, specifically: 3) Inform, educate, and empower people about health issues, and 4) Mobilize community partnerships and action to identify and solve health problems.

OTHER AGENCY INVOLVEMENT:

County Counsel and the Auditor-Controller have reviewed and approved the Agreement. Risk Management cannot accept the non-standard insurance modification.

FINANCING:

This Agreement is funded by Federal Funding Participation (FFP) and Realignment funds, which are included in the Health Department’s Behavioral Health Bureau (HEA012, Unit 8410) FY 2018-19 Requested Budget.
