SUMMARY/DISCUSSION:

On April 1, 2008, the Board of Supervisors approved and authorized the Contracts/Purchasing Officer to sign the Enterprise Resource Planning (ERP) Proprietary Software Maintenance Agreement with CGI Technologies. The original agreement includes a base "Standard Support and Maintenance" totaling \$570,732 plus applicable taxes. Subsequent amendments added \$3,048 due to system modifications plus applicable taxes.

Amendment No. 8 adds Enhanced Maintenance Service for Advantage HRM in the amount of \$165,000 plus all applicable taxes. The amendment provides that CGI Technologies maintain a test copy of Monterey County's Advantage HRM version 3.7.0.2 production application code environment. The copy will enable CGI to evaluate, resolve and test current and future Monterey County specific HR/Payroll system enhancements. This test environment is based on unique Monterey County adopted pay practices which vary from the FLSA compliant system developed by CGI Technologies. The total cost of Amendment No. 8 is \$165,000 plus all applicable taxes.

OTHER AGENCY INVOLVEMENT:

Department Finance staff participated in discussions regarding the cost and need for enhanced maintenance.

FINANCING:

Funds for Amendment No. 8 have been included in Fund 001, Unit 8373 - Systems Management. The budgeted appropriation in Unit 8373 is offset by ERP Departmental Charges.
