SUMMARY/DISCUSSION:

Since FY 2009-10 the County Board of Supervisors has directed the Agricultural Commissioner’s Office to provide support of agricultural education efforts in Monterey County. The intent was to collaborate for mutual benefit with respect to agricultural education programs and activities, more specifically programs and activities directly related to pest management and control, quarantine and invasive species activities, pesticide use and enforcement, fruit and vegetable standardization, and crop statistics.

The Salinas Valley Fair is a nonprofit organization that provides educational programs. This request aligns with Monterey County’s strategic initiative to support programs and services that promote healthy choices in collaboration with communities.

SVF supports this action.

FINANCING:

The funds are contained in the Agricultural Commissioner's Budget for FY 2021-22. There are no changes to appropriations. Ongoing funding is subject to availability as determined through the County's annual Adopted Budget review and approval process.
