SUMMARY/DISCUSSION:

Lippincott Evidenced Based Programs are accepted as expert resources for clinical practice nationwide. Lippincott Procedures: Is a web-based, go-to source for step-by-step procedure guidelines to assist clinicians with the most current evidenced based practice and procedures. This includes over 1,700 procedures and skills for nursing, respiratory therapy and physical therapy that support safe and standardized delivery of patient care. It is a regulatory requirement that we provide current evidence based resources for staff. Blended Learning: Is

an online, evidenced based, staff education program to include power points and competency validation tools. Lippincott Learning includes evidenced-based online courses many offer continuing education credits for nursing. The material includes courses developed in partnership with Joint Commission Resources. Courses are easily assigned for training and completion is electronically tracked. The library includes customizable, evidenced based, online lessons that support instructor led training. These courses will be used in orientation, unit based clinical practice training, remediation and validating clinical competency.
