SUMMARY/DISCUSSION:

On November 3, 2009, the Board of Supervisors approved Professional Services Agreement (PSA) No. A-11561 with Resource Design Technology in the amount of \$128,700.00 to provide SMARA annual inspections for the County of Monterey Resource Management Agency - Planning Department (RFP #10209) for a period of three (3) years, from November 3, 2009 to November 3, 2012.

On June 7, 2011, the Contracts/Purchasing Officer executed a County Consent to Assignment for PSA No. A-11561 whereby Resource Design Technology transferred rights, title and interest in the PSA to Benchmark Land Use Group, Inc. (d.b.a. Benchmark Resources) effective as of May 1, 2010.

Amendment No. 1 to PSA No. A-11561 provides for an additional year of SMARA annual inspections required by the State of California and provides for assistance with the OMR's LART report while a new Request for Qualifications is completed to select a Consultant to perform the services as required. Amendment No. 1 will increase this PSA by \$46,773.50 for a total amount not to exceed \$175,473.50 and extend the term to November 3, 2013.

OTHER AGENCY INVOLVEMENT:

The following agencies have reviewed the Amendment No. 1 to the PSA as to form and legality, and fiscal provisions, respectively:
