SUMMARY/DISCUSSION:

The Monterey County Department of Social and Employment Services (DSES), through its Family and Children's Services (FCS) Branch, provides services for children who have been victims, or are at high risk, of abuse, neglect or exploitation. Many of these children reside with relative or near-kin caregivers who provide for their full-time care.

Seneca Residential and Day Treatment Center for Children operates three Kinship Support Services Program (KSSP) sites as part of the Kinship Center's Family Ties Program. This program provides services to relative and near-kin caregivers, including adult support groups, childcare for meetings and trainings, recreation

activities, case management, legal assistance, transportation for medical services or other services/training for caregivers and children, information and referral, advocacy, tutoring for children, family emergency fund assistance and post permanency services. This agreement was delayed coming forward for Board approval due to delayed determination of funding.

OTHER AGENCY INVOLVEMENT:
County Counsel, the Auditor-Controller and Purchasing have reviewed and approved this agreement.

FINANCING:
This agreement is funded by Realignment revenues. Sufficient appropriations and estimated revenues in S0C005 are included in the FY 2012-13 Adopted Budget. Approval of this action has no impact on the County General Fund.
