In order to provide 24/7 care, it is necessary to develop and sustain a core team of quality neurosurgeons made up of employed and independent contract physicians to provide daily call coverage in the Emergency Department and follow-up care to patients in the Intensive Care Unit and Specialty Clinic.

Natividad would like to amend the agreement with Neurorescue, a Professional Medical Corp., so that Dr. Mohsin Shah, a board certified neurosurgeon, can continue to provide neurosurgery services as part of the comprehensive trauma services required for the Level II Trauma Center without interruption. Dr. Shah is paid a daily rate for coverage services, which may increase due to availability and the need for coverage, but the rate of pay for services remains the same. Natividad has obtained an independent opinion of fair market value supporting the payment terms of this Agreement.
