SUMMARY/DISCUSSION:

Natividad Medical Center is a 172 facility with the original Fisher Berkley Nurse Call System. The current nurse call system is a traditional system, which has centralized annunciator panel at each of the nurse’s station

with audible alarms and visual displays at the nurse stations. Due to the age of the system parts are no longer available. Audac Services does repairs of the Bedside Stations, Pillow Speakers, and Clinical Alarms, Emergency Stations as well as the Master Station and the hardware that is behind the scenes.

The Nurse Call system is a vital link in the continuum of care as it's the primary way a patient can summon help, request a drink and get help to go to the rest room. With a system way past its prime we rely on Audac for repairs of the stations, the Engineering team here at Natividad is experienced with the system and able to take care of a majority of the everyday problems one would expect from a 20 year computer system but when there is a component failure on a PC board or the rebuild of the stations we rely on Audac.

Natividad is planning on replacing the close to 20 year old system in the next year. Audac will be working with the Vendor of the new system so as rooms are upgraded to the new none of the old will be down as it is a requirement for patients to have a functioning nurse call at the bedside and emergency calls from shower and restroom.

With the age of the existing system, vendors who do component level service are far and few; Natividad has a strong relationship with Audac as they are one of the few vendors left.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved this amendment No. 1 as to legal form, and the Auditor-Controller has reviewed and approved as to payment provisions. The amendment No. 1 has also been reviewed and approved by NMC's Finance Committee on July 26, 2018 and by its Board of Trustees on August 3, 2018.

FINANCING:

The cost for this amendment No. 1 is \$80,000 of which \$26,000 is included in the Fiscal Year 2018-19 Adopted Budget. Amounts for remaining years of the agreement will be included in those budgets as appropriate.
