SUMMARY/DISCUSSION:

In May of 2018, the County of Monterey, Health Department- Behavioral Health Bureau (“MCBH”) received a notification from the Electronic Data Interchange Support Services that modem technology would no longer be supported effective October 1, 2018 for the direct submittal of Medicare claims to Noridian Healthcare Systems. All providers are required as part of this change to utilize a Network Service Vendor (“NSV”) authorized to be a clearinghouse to submit Medicare claims for review and receive a response for Medicare claims approved and rejected. eSolutions, Inc. (“eSolutions”) is an NSV authorized vendor that will enable MCBH to continue the Medicare claims process.

The Contractor has provided proof of Commercial General Liability and Automobile Liability and additional insured and primary and non-contributory endorsements, Workers’ Compensation, and Errors and Omissions. However, Risk Management has reviewed and cannot approve the eSolutions’ non-standard risk provisions. In order to maintain the continuity of Medicare claims submittals with a NSV, it is the recommendation of the Director of Health that this Agreement be accepted despite the non-standard provisions that consist of limitations of liability, mutual indemnification and no insurance provisions. The eSolutions account setup and use does not involve downloading software to any County computer.

While this work is not directly in support of a Monterey County Health Department (“MCHD”) 2018-2022 strategic initiatives, it is in support of one or more of the ten essential public health services, specifically: 6) enforce laws and regulations that protect health and ensure safety.

OTHER AGENCY INVOLVEMENT:

Information Technology, Office of County Counsel-Risk Management and the Auditor-Controller have reviewed and approved the Agreement as to technology form, legal form, and fiscal provisions, respectively. Risk Management has reviewed and cannot approve the non-standard risk provisions.

The funds (\$1,440) for this Agreement are included in the Health Department’s Behavioral Health Bureau (HEA012, Unit 8410) FY 2018-19 Adopted Budget.
