SUMMARY/DISCUSSION:

Schipper Design is a multiple award-winning, local graphic and web design firm that brings a diverse wealth of experience and skills to design services for NMC and the Natividad Medical Foundation (Foundation). Schipper Design has worked with NMC and the Foundation in establishing a brand identity in the development of communication materials including logos, brochures, newsletters, presentations, and advertisements. These professional pieces have assisted both organizations in broadening awareness of NMC hospital services and expanded philanthropy. Activities this year included display and collateral materials for NMC’s 125th anniversary year, NMC’s Harvest Fiesta community event, NMC’s Farmers’ Market, The Agricultural Leadership Council in support of NMC; the development of multiple clinical service line promotional and patient education materials in English and Spanish; employee giving campaigns; community health fair displays; and the development of the hospital website with ongoing update services. Other activities included the design of presentations on NMC Fiscal Year 2012 accomplishments, NMC governance structure review, and the proposed affiliation with Salinas Valley Memorial Hospital. As NMC increases its community outreach in connection with growth goals and enhanced public relations activities, NMC desires to renew this agreement for graphic and web design services for communications to various audiences. This agreement is not exclusive as NMC has agreements with other firms for design and advertising services.
