SUMMARY:

On May 28, 2008 the RMA-Director of Planning approved the Greenwall LLC permit (PLN060770), which consisted of an Administrative Permit for the construction of a 5,566 square foot two -story single family dwelling, with an attached three-car 1,172 square foot garage, and a detached 1,458 square foot garage, a 2,800 square foot barn, septic system, grading of 9,486 cubic yards (4,576 cut/4,910 fill), and a Design Approval. The approval included thirty conditions of approval, including the conveyance of those portions of the property where the slopes exceed thirty percent to the County through a Conservation and Scenic Easement Deed. The applicant has submitted the Conservation and Scenic Easement Deed and corresponding map showing the exact location of the easement on the property.

OTHER AGENCY INVOLVEMENT:

The office of County Counsel has reviewed and approved the Conservation and Scenic Easement Deed as to form.

FINANCING:

There is no financial impact on the County General Fund. Development fees have been collected to finance the processing and review required for the applicant to proceed.
