SUMMARY/DISCUSSION:

NMC operates a twelve-bed pediatric unit and an eighteen-bed maternal infant unit providing medical care for newborns, children and adolescents, as well as hospital-based services for the pediatric population (age 0-21) through NMC's emergency medicine, trauma programs, general surgery and outpatient specialty clinics.

NMC would like to amend its agreement with UCSF, for which Dr. Christopher Carpenter, a board-certified pediatric hospitalist participates in the call panel and provides pediatric patient care from time to time as needed to ensure sufficient coverage of the pediatric department. NMC has obtained an independent opinion of fair market value supporting the payment terms of this agreement.
