SUMMARY/DISCUSSION:

This Agreement allows the Department of Social Services (DSS) to continue use of SafeMeasures, an internet-based subscription reporting service which uses analytics to help Social Service agencies achieve better outcomes, improve service, and operate efficiently.

SafeMeasures has been effective at allowing DSS to monitor service delivery activity by navigating a set of reports which allow staff to estimate current workload demand, plan more effective service interventions, and monitor certain performance indicators established by State and Federal regulatory requirements. In addition, it includes case-level quality control displays that DSS employs to improve compliance with state and federal performance audits.

The Department recommends approval and renewal of the existing non-standard agreement, including existing mutual indemnification provisions and nonstandard warranty.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved the Agreements as to form, as has the Auditor-Controller's Office as to financial provisions.

FINANCING:

Funding for this Agreement is provided by Federal and State revenue and realignment funds. Sufficient appropriations and estimate revenues for Social Services Fund 001-5010-SOC005 are included in the FY 2023-24 Adopted Budget and has been incorporated into FY 2024-25 Recommended Budget. Future year funding will be incorporated into the corresponding budget process.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

This agreement correlates to the Administration and Health and Human Services Strategic Initiatives adopted by the Board of Supervisors by allowing the Department to plan more effective service interventions and improve services to customers while maintaining appropriate staffing levels and compliance with State and Federal regulatory requirements.
