RECOMMENDATION:

It is recommended that the Board of Supervisors:

Authorize the Deputy Purchasing Agent for Natividad Medical Center (NMC) or his designee to execute the Seventh Amendment to the Professional Services Agreement (A-12234) with Danny Tan DDS to provide dental services to NMC patients, effective January 1, 2017, adding \$25,000 for a revised total not to exceed amount of \$370,000 for the full term of the Agreement, February 1, 2011 to June 30, 2017.

SUMMARY/DISCUSSION:

Danny Tan, DDS provides dental services at his Salinas office to patients referred by Natividad Medical Center’s NIDO (Natividad Immunology Division Outpatient) Clinic. The NIDO Clinic is a comprehensive primary care clinic that provides services, including referrals for dental services, to people over the age of thirteen with HIV/AIDS and other infectious diseases. Such dental services are funded by the Ryan White Modernization Act Parts B & C grants. The Ryan White Modernization Act Early Intervention Services Program is intended to expand counseling, testing and referral services for persons at high risk for HIV infection in order to expand enrollment in culturally and linguistically appropriate HIV/AIDS medical treatment, with particular emphasis on the Latino community.

Additional funds, in the amount of \$25,000, have been made available through the Ryan White Part C grant and allocated to NIDO. NMC wishes to amend the Agreement with Dr. Tan to add \$25,000 for the provision of

services to NIDO patients. Funding for this Agreement is contingent upon the availability of grant funds. Should such funding be cancelled, this Agreement may be terminated with little notice according to the terms of the Agreement.
