### SUMMARY/DISCUSSION:

The purpose of this agreement is to provide family finding and engagement services to Monterey County child welfare and probation youth who need a network of support or a permanent home and to provide supportive services to kinship resource parents who are caring for foster youth in Monterey County. The goals of these services are to increase the number of relatives and kin who are involved in a foster child's life and to ensure kinship caregivers have the supports they need to provide permanency to youth in foster care. It is anticipated the Family Finder will be able to serve 7-9 youth at a time for about 6-8 months, and the Kinship Navigator will be able to provide case management to 7-10 caregivers annually with ongoing support groups and trainings for all kinship caregivers in Monterey County. Wayfinder Family Services will be opening an office in Monterey County in order to provide these services locally.

### OTHER AGENCY INVOLVEMENT:

The Auditor-Controller has reviewed and approved this Agreement. County Counsel has approved the Agreement as to form.

### FINANCING:

Funding is provided by Excellence in Family Finding and Engagement Support (EFFES) Allocation, flexible Wraparound funds, and Realignment funds. EFFES has a 50% match requirement which will be provided through the wraparound and realignment funds. Sufficient appropriations and revenues in the Social Services Fund 001-5010-SOC005 are included in the FY 2024-25 Recommended Budget.
