RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve and authorize the Director of Health to sign a Mental Health Services Agreement with California Psychiatric Transitions to provide mental health rehabilitation services to adult clients with severe mental disabilities in the amount of \$474,500 for Fiscal Year (FY) 2013-14, in the amount of \$474,500 for FY 2014-15, and in the amount of \$478,400 for FY 2015-16, for a total maximum Agreement in the amount of \$1,427,400; and
- b. Authorize the Director of Health to approve future amendments up to ten percent (10%) of the original amount, which do not significantly alter the scope of work.

SUMMARY/DISCUSSION:

California Psychiatric Transitions (CPT) is located in Delhi, California, and is one of a very limited number of Mental Health Rehabilitation Centers (MHRC) that specializes in working with people with severe mental disabilities. This facility provides client specific programs including behavioral adjustment, self-help skills, pre-vocational preparation, and special needs in interpersonal relationships. CPT provides specialized, cost effective services at three (3) levels that meet Behavioral Health clients' needs for immediate placement at a lower level of care upon hospital discharge. This facility is the last resort before a client is placed in a State hospital.

This Agreement was delayed for presentation to the Board of Supervisors because of the lengthy contract negotiations between the County and the Contractor. It is recommended that this Agreement for FY 2013-14 thru FY 2015-16 become effective July 1, 2013 to provide full payment to the Contractor for services provided from July 1, 2013 to present.

This Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

OTHER AGENCY INVOLVEMENT:

County Counsel, Auditor-Controller, and Risk Management have reviewed and approved this Agreement as to legal form, fiscal provisions, and insurance requirements, respectively. This Agreement is on file with Clerk of the Board.

FINANCING:

This Agreement is funded by Realignment (100%) revenues. The funds for this Agreement (\$474,500) are included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2013-14 Adopted Budget.
