Consider making permanent appointments to Non-County Entities for 2022.

RECOMMENDATION:

It is recommended that the Board of Supervisors consider making permanent appointments to Non-County Entities for 2022.

SUMMARY/DISCUSSION:

On March 1, 2022 the Board adopted a new Board policy regarding Board committees and non-County entities. The final policy, as amended by the Board action, is enclosed as Attachment 1 for information. The issue of whether to start the rotational assignments alphabetically or by random draw was deferred until 2023.

While the Board made permanent appointments to standing committees for 2022, due to time constraints, the Board was not able to make permanent appointments to non-County entities. Recommendations from the Chair for those appointments are enclosed as Attachment 2.
