The contract with Peacock Acres, Inc. is to provide Transitional Housing Program Plus (THP+) services to eligible former foster and probation youth through the Department of Social & Employment Services, Family and Children's Services. The goal of THP+ is to reduce homelessness among former foster and probation youth, ages eighteen to twenty-four. THP+ is grounded on four key principles, which are certified in statute, including 1) Age-appropriate services to ensure THP-Plus youth are treated as adults; 2) Ensuring the program is distinct from foster care; 3) Allows participants the greatest amount of freedom possible; and 4) Provides a strong emphasis on supportive services. THP-Plus has several distinct housing models to include scattered site, host family and single site models. All of these housing models may be incorporated in the Peacock Acres THP-Plus program plan.
