Locum tenens (temporary) physicians are utilized during periods when its employed/contracted physicians are not available (e.g., vacation; illness; continuing medical education; etc.) to provide health care services vital to NMC's continued operation.

The Agreement was amended on May 1, 2013 to increase the maximum liability to due to an emergent need for locum tenens physicians to cover for vacant positions in critical patient care areas of the hospital, but did not change the annual rate sheet in the Agreement. NMC wishes to amend the Agreement with MDA to extend the term an additional twelve months and increase the maximum liability of the Agreement in order to continue to utilize locum tenens physicians in these patient care areas. NMC negotiated new rates for some specialties, no more than 3%. Most rates remained the same services provided by locum tenens physicians, which vary by specialty and are all-inclusive of travel, lodging and associated expenses.
