SUMMARY/DISCUSSION:

Monterey County has been operating a collaborative Wraparound program since 2002. Wraparound Monterey County offers an alternative service provision to reunite children safely with their families, or maintain children with their family safely. The program is a collaboration between Monterey County Department of Social & Employment Services, Probation, Behavioral Health and Office of Education.

Wraparound Monterey County continues to provide services consistent with the model created in 2009. The program continues to grow in its ability to provide strong, individualized family engagement services and supports, while maintaining a clear fiscal model that is cost effective. This model includes a Wraparound Care Coordinator Function, a Wraparound Administrative Services Agent (WASA), and a Wraparound Provider Network. ACTION Council continues in the WASA role, overseeing the Wraparound Service Provider Network. To date ACTION Council has engaged over one hundred (100) local service providers to join as partners in Monterey County's Wraparound Service Provider Network.

ACTION Council was created in 1994 with the goals of creating public/private partnerships to promote economic and social justice; to initiate community dialogue and action on critical issues; to provide a focal point for achieving community transformation; and to develop resources to facilitate needed change. Currently DSES partners with the ACTION Council in other programs, including the Pathways to Safety and Best Friends programs.

County Counsel, the Auditor-Controller and Purchasing have all reviewed and approved this agreement.

FINANCING:

Sufficient appropriations and estimated revenues are included in the FY 2012-2013 Adopted Budget. There is no impact to the County General Fund.
