SUMMARY/DISCUSSION:

The County of Monterey has a need for a landscaping and maintenance services that accommodates 27 County Departments and locations throughout the County of Monterey to ensure County building and working locations are safe for employees and the public. The Countywide Landscape and Maintenance Services Agreement ensures the County high- performance cleaning needs to promote safety and to maintain regular

landscaping and maintenance services.

In addition to providing services to County Departments and locations, these services are used when an unexpected or unforeseen incident occurs such as a declared emergency, for homeless camp clean up, for fuel mitigation at County Park locations, or as deemed necessary by the County of Monterey Public Works, Facilities, & Parks (PWFP) Department.

The initial term of the Agreement will commence on July 1, 2023, and conclude on June 30, 2028, with the option to extend the agreements for two (2) additional one (1) year periods, for a maximum five (5) year Agreement. Services will be provided on an as needed basis under a delivery order process between each requesting County department and the Contractor, in accordance with each individual Contractors pricing sheet. Landscaping and Maintenance services shall include but are not limited to, lawn service, plant maintenance, and other miscellaneous landscaping care services following the specifications detailed in the Countywide Service Agreements. Each Agreement is based upon County requirements as set forth in the terms and conditions of Request for Proposals (RFP #10903).

Each Agreement will be included on the Countywide Service Agreement schedule, so departments can see these available resources thus eliminating the need for individual County departments agreements. Additionally, it is recommended that the Contracts/Purchasing Officer or the Contracts/Purchasing Supervisor be authorized to enter into additional similar Agreements, after one year, to include vendors who meet the qualifications of RFP #10903 and agree to the same terms and conditions as approved vendors and where each additional Agreement would terminate at the same time as the Agreements presented before the Board for approval today. This authority will provide needed flexibility to the County to deal with currently unanticipated needs.

It is also recommended that the Contracts/Purchasing Officer or the Contracts/Purchasing Supervisor be authorized to increase the cumulative 'not to exceed' amount by up to **10% of the original aggregate amount, or \$11,800,000**, whether or not additional Agreements are entered into. The aggregate amount to be spent over the five (5) year term shall not to exceed \$11,800,000. Copies of the Agreements are on file with the Clerk of the Board.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved the Agreements as to form, as has the Auditor-Controller's Office as to financial provisions.

FINANCING:

Funds for these services are contained within the approved budget allocations of the departments utilizing the services. Expenditures will depend on the actual services requested by individual County departments. Based upon historical usage the aggregate amount to be spent for all Agreements issued under RFP #10903 is not anticipated to exceed \$11,800,000 over the five (5) year term.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The Board's approval of the recommended agreements will allow the County to continue with existing services

to Landscaping and Maintenance Services to fit the County's operational needs.
