Authorize the Director of Health, the Assistant Director of Health, or the Emergency Medical Services (EMS) Director to execute Amendment No. 12 to the Agreement between the County of Monterey and American Medical Response West for the provision of Advanced Life and Basic Life Support Ambulance Services for the County of Monterey.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve Amendment No. 12 to the Agreement between the County of Monterey and American Medical Response West for the provision of Advanced Life and Basic Life Support Ambulance Services for the County of Monterey (Agreement No. A-110610) to implement an ambulance service rate adjustment of 5%, add the medication Ketamine and BLS standby rates to the rate table and replace Exhibit B (Monterey County Ambulance Rate Table) to said Agreement, and to amend section 4.1.2.4 of the Agreement to add clarifying language on interfacility transports; and
- b. Authorize the Director of Health, the Assistant Director of Health, or the Emergency Medical Services (EMS) Director to execute Amendment No. 12 to the Agreement between the County of Monterey and American Medical Response West for the provision of Advanced Life and Basic Life Support Ambulance Services for the County of Monterey.

SUMMARY/DISCUSSION:

On December 15, 2009, the Board of Supervisors awarded the Agreement for the provision of Advanced Life and Basic Life Support Ambulance Services for the County of Monterey to American Medical Response West (AMR).

Pursuant to Section 17.2 of the County of Monterey and AMR Agreement (Agreement), AMR is entitled to an annual rate increase, based on the greater of:

- 1) Two percent (2%) divided by Monterey's average collection rate from the previous 12-month period for which figures are then available; or,
- 2) Percentage calculated from the following CPI Factors divided by Monterey's average collection rate from the current year. Department of Labor, Bureau of Labor Statistics CPI as of the previous 12-month period for the published figure is then available for the San Francisco-Oakland-San Jose:
 - A. 85% of the Medical Care CPI
 - B. 2% of the Transportation CPI
 - C. 13% of All Items CPI

The language in Section 17.2 of the Agreement automatically entitles AMR to the greater of the two options for a rate increase. The calculation described in Option 1 resulted in a rate increase of 4.4%. The calculation described in Option 2 results in a rate increase of 39.7%. Because AMR is requesting a rate increase less than the amount of Option 2 contractually, the Board of Supervisors should authorize the rate increase.

Lastly, Amendment No. 12 amends section 4.1.2.4 of the Agreement to:

1. Change language to specify which type of interfacility requests are not included in the Exclusive Scope of Service.
2. Eliminate language about when Behavioral Health Patients may be transported by means other than an ambulance staffed by paramedics or EMTs.
3. Add language regarding validation and documentation of medical necessity.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan initiatives 2. Enhance public health and safety through prevention and 4. Engage MCHD workforce and improve operational functions to meet current and developing population health needs. It also supports one of the ten essential public health services, specifically, 7. Link people to needed personal health services and assure the provision of health care when otherwise unavailable.
