SUMMARY/DISCUSSION:

Natividad recently issued a Request for Proposals (RFP) #9600-70 for Biomed Services. These services include preventive equipment maintenance on biomedical equipment (all patient related equipment), sterilizer and laboratory equipment and includes full-time on-site contracted personnel to manage and maintain the inventory. The Joint Commission requires that hospitals have an Equipment Management Plan that details the hospital's biomedical equipment inventory with a plan on how it will be maintained based on the manufacturer's recommendation. Presently, General Electric (GE) performs all of the functions to keep the hospital compliant with the Joint Commission requirement.

There were four responsive bids received and the scoring process resulted in an award to Renovo Solutions, LLC.

OTHER AGENCY INVOLVEMENT:

County Counsel reviewed and approved this agreement as to legal form and risk provisions, and the Auditor-Controller has reviewed and approved as to payment provisions. The agreement was also reviewed and approved by NMC's Finance Committee on October 25, 2018 and by its Board of Trustees on November 2, 2018.

FINANCING:

The cost for this agreement is \$1,600,000. \$450,000 is included in the Fiscal Year 2018-19 Adopted Budget. Amounts for remaining years of the agreement will be included in those budgets as appropriate.
