The County currently has Health Care Management Services Agreement A-15612 with Central California Alliance for Health (CCAH), through December 31, 2024. CCAH refers clients to County for Enhanced Case Managed services (a Medi-Cal benefit). This supplemental incentive funding will be used in the development of a regional Needs Assessment and Resource Mapping to increase access to preventative, early intervention and behavioral health services for TK-12 children in public schools.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Goal: 2. Enhance community health and safety by emphasizing prevention. It also supports one of the ten essential public health services, specifically: 4. Mobilize community partnerships and action to identify and solve health problems.

### OTHER AGENCY INVOLVEMENT:

The office of the County Counsel and Auditor-Controller have reviewed and approved as to legal form and fiscal provisions respectively.

### FINANCING:

CCAH’s “Student Behavioral Health Incentive Program” provides funding in the amount of \$25,000 through Calendar Year 2024. The funds for FY 2021-22 are included in the Health Department’s Behavioral Health Bureau (HEA012, Unit 8410) FY 2021-22 Requested Budget.
