It is recommended that the Board of Supervisors:

SUMMARY:

The subject Lot Line Adjustment will re-configure three existing legal lots of record totaling approximately 307.3 combined acres. The three lots comprise a portion of Williamson Act Land Conservation Contract No. 93-002. The three lots also comprise the entirety of Assessor's Parcel Number 423-173-003-000, and will

continue to comprise the entirety of the parcel with no changes to said parcel's exterior boundaries or total acreage. The current lot configuration consists of Lot "A" at approximately 159.6 acres, Lot "B" at 142.1 acres and Lot "C" at 5.6 acres. The approved Lot Line Adjustment would result in a Lot "1" of approximately 102.4 acres, a Lot "2" of 102.6 acres and a Lot "3" of 102.3 acres, respectively.

DISCUSSION:

Detailed discussion is provided in **Attachment A**.
