SUMMARY/DISCUSSION:

The United Way Monterey County (UWMC) Volunteer Center develops and monitors volunteer community service opportunities for CalWORKs customers who need additional employment experiences to successfully compete for unsubsidized employment in the public and private sectors. The goal of the CalWORKs volunteer/community service program is to enhance and develop participants' employment skills to support readiness for unsubsidized employment.

UWMC will provide volunteer/community service placement, training, supervision, intensive case management and performance evaluations for 215 eligible CalWORKs Welfare-To-Work (WTW) customers. Volunteer/Community Service positions will be offered at UWMC developed locations throughout Monterey County. United Way Community Outreach Associates assists customers with volunteer/community service placements designed to provide experience and training that supports transition into unsubsidized, or partially subsidized positions as soon as the customer is determined to be ready for employment.

OTHER AGENCY INVOLVEMENT:

The Auditor-Controller and Purchasing have reviewed and approved this agreement. County Counsel has approved the agreement as to form.

FINANCING:

This agreement is funded by the CalWORKs Single Allocation. Sufficient appropriations and estimated revenues for SOC005 are included in the FY 2019-20 Recommended Budget.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
