It is recommended that the Board of Supervisors:

- a. Approve and authorize the Contracts/Purchasing Officer or the Contracts/Purchasing Supervisor to execute Amendment No. 1 with Joseph A. Ladouceur, DBA Rainbow Services, for the provision of providing odor removal services in Health Department Buildings, increasing the amount by \$56,000 for a total Agreement not to exceed \$146,000 and extending the term two (2) years for a revised term of July 1, 2019 through June 30, 2023; and

SUMMARY/DISCUSSION:

Monterey County Health Department (MCHD) has been using the odor removal services provided by Joseph Ladouceur for many years. The technology used consists of odor-neutralizing molecules found in plant-based oils. The fragrance-free, organic, non-toxic compound is placed on a disc and inserted into a small fan that blows the oil throughout the room. The desire is to minimize the difficulties experienced in the workplace by both employees and clients subject to chemical/fragrance sensitivities. Odor eliminating units are placed in restrooms, diaper changing areas, public lobbies and other odor sensitive locations within the MCHD locations throughout the County.

While this work is not directly in support of a Health Department Strategic Initiative, it is in support of one or more of the ten essential public health services, specifically: 6. Enforce laws and regulations that protect health and ensure safety.

OTHER AGENCY INVOLVEMENT:

The office of County Counsel and the Auditor-Controller have reviewed and approved this Agreement as to form and fiscal provisions, respectively.

FINANCING:

There are sufficient appropriations in the Health Department FY 2021-22 Requested Budget for Clinic Services (001-HEA007-8096), Behavioral Health (023-HEA012-8410), Public Health (001-HEA003-8124), and Administration (001-HEA014-8438) to cover services.
