RECOMMENDATION:

It is recommended that the Board of Supervisors:

Approve and authorize the Director of Health or Assistant Director of Health to execute Amendment No. 2 to Mental Health Services Agreement A-14355 with Seneca Family of Agencies dba Kinship Center to add \$766,897 of additional services, for a revised total Agreement amount not to exceed \$13,322,616 for the same term July 1, 2019 to June 30, 2022.

SUMMARY/DISCUSSION:

Seneca Family of Agencies dba Kinship Center provides mental health services to Monterey County children and youth and their families and/or caregivers who are in foster care, require aid to adoption, or are in adoption preservation. The programs promote improvement in the child's overall functioning within his/her family, school, peer group and community; a reduction in the risk of mental health disabilities, an improvement with family member's mental health and well-being to improve the child's mental health functioning; and a reduction in the possibility of future residential care, periodic inpatient hospitalization, placement at out of state facilities, or placement in a juvenile justice facility.

This Amendment No 2 revises Programs 1, 2, 5, and 6, terminates Programs 3 and 4, and adds a new Program 7: Mental Health Enhanced Foster Care. The new Mental Health Enhanced Foster program includes Therapeutic Foster Care which allows for home-based care for youth with complex needs. Children or youth in the program are placed in homes with an approved resource parent and linkage to supportive community-based services to prevent placement disruption and to build natural support systems around a youth with intensive needs.

This Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2018-2022 Strategic Plan Initiative: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

County Counsel-Risk Management and Auditor-Controller have reviewed and approved as to legal form and fiscal provisions respectively.

FINANCING:

This Agreement is funded by Mental Health Federal Financial Participation (MH FFP) (50%), 2011 Realignment-Early Periodic Screening, Diagnosis, and Treatment (EPSDT) (28%), Mental Health Services Act (MHSA) (16%), California Health Facilities Financing Authority (CHFFA) (5%), and Substance Abuse and Mental Health Services Administration (SAMHSA) (1%) .
