SUMMARY/DISCUSSION:

Human Resources and Risk Management were originally divisions of the County Administrative Office. In 2012, the Human Resources Department was created, and the risk management function was transferred to the Office of County Counsel. As part of this transition, the employees in the Human Resources Department no longer performed risk management duties, and the employees in the Office of County Counsel no longer performed employee benefits functions. Therefore, it is necessary to update the classification specifications and create two separate class series. The classifications within the Human Resources Department will be retitled to the Employee Benefits Analyst class series and the classifications within the Office of County Counsel will be retitled to the Risk Management Analyst class series.

- a. Retitle the classification of Risk & Benefits Specialist-Confidential to Employee Benefits Technician-Confidential;
- b. Retitle the classifications as follows:

<u>From</u>	<u>To</u>	<u>Class Code</u>

c. Retitle the classifications as follows:

<u>From</u>	<u>To</u>	<u>Class Code</u>

OTHER AGENCY INVOLVEMENT:

The Human Resources Department and the County Counsel’s Office have reviewed and concur with the recommendations. In addition, the County Employee Management Association (CEMA) has been provided notice of these recommendations.
