### RECOMMENDATION:

It is recommended that the Board of Supervisors, acting on behalf of County Service Area 75 - Chualar:

- a. Set a Public Hearing on May 21, 2013, at 10:30 a.m., to hear the report of delinquent fees and consider any protests and objections to the report by landowners liable to be assessed for delinquent fees for the County Service Area 75 - Chualar;

### SUMMARY:

The proposed action will result in a Public Hearing to consider placing past due sanitation assessment service charges for the County Service Area 75 - Chualar (CSA 75) on the tax rolls to facilitate collections. This assessment will be in the form of a Lien placed on the property until such time that the delinquent balance is paid in full.

### DISCUSSION:

In 1999, the Board of Supervisors adopted ordinances removing sanitation service charges from the tax rolls and instead provided for collection through a monthly billing system. On June 22, 2004, the Board of Supervisors adopted Ordinance No. 04225 establishing procedures for collecting delinquent fees for CSA 75. These procedures include holding a Public Hearing once a year to hear the report of delinquent fees and any protests or objections by landowners liable to be assessed for delinquent fees (Exhibit A).

Certain property owners in CSA 75 have accrued significant unpaid balances for calendar year 2012 on accounts for 25 parcels despite multiple billing notices. The proposed action would schedule the required hearing regarding the 25 accounts with unpaid balances.

On March 8, 2013, property owners were notified by letter that they have delinquent accounts. The letter informed property owners that the delinquent amount as of December 31, 2012, was subject to collection through a lien on their property. Notices of the May 21, 2013, hearing will be mailed, not less than ten (10) days prior to the hearing, to the property owners listed in the report.

OTHER AGENCY INVOLVEMENT:

The Monterey Regional Water Pollution Control Agency acts as the billing agency for CSA 75. Placement of the liens on the property tax rolls will be done by the Treasurer-Tax Collector's Office.

FINANCING:

There is no impact to the General Fund. Collectively, past due amounts, including basic and per month penalties through December 31, 2012, for calendar year 2012 currently total \$4,630.26 from 25 parcels. In accordance with the Monterey County Fee Schedule, Late Payment Penalties have been assessed as permitted in Section 5473.10 of the California Health and Safety Code. In accordance with Ordinance No. 04225, these penalty fees are included in the total service charge amount of \$4,685.89. All calendar year 2012 past due service charges and penalty fees collected will be deposited in CSA 75 (Fund 093).
