Board Report

File #: BC 24-064, **Version:** 1

Support the Request to:

- a. Amend the Health Department Fiscal Year (FY) 2023-24 Adopted Budget to increase appropriations by \$55,540 in the Emergency Medical Services Bureau (016-4000-8111- HEA009) to reimburse physicians as required by Health and Safety Code Chapter 2.5 Section 1797.98a., financed with available fund balance; and
- b. Authorize and direct the Auditor-Controller and County Administrative Office to incorporate the changes in the FY 2023-24 Health Department Adopted Budget (016-4000-8111-HEA009).

RECOMMENDATION:

It is recommended that the Budget Committee support the request to:

- a. Amend the Health Department Fiscal Year (FY) 2023-24 Adopted Budget (016-4000-8111 HEA009) to increase appropriations by \$55,540 to reimburse physicians as required by Health and Safety Code Chapter 2.5 Section 1797.98a., financed with available fund balance; and
- b. Authorize and direct the Auditor-Controller and County Administrative Office to incorporate the change in the FY 2023-24 Health Department Adopted Budget (016-4000-8111-HEA009).

SUMMARY/DISCUSSION:

In 1989, the County of Monterey Board of Supervisors established the County Emergency Medical Services Fund (EMSF), referred to as the Maddy Fund (016-4000-8111-HEA009), under Section 1797.98 of the Health and Safety Code. The Maddy Fund is administered by the Health Department's Emergency Medical Services Bureau (EMS). Maddy revenues are generated from court fines, penalties, and forfeitures from various criminal offenses and motor vehicle violations.

Health and Safety Code Section 1797.98d states that funds shall be distributed following a prescribed distribution breakdown. Up to 10% of the proceeds are available for the program's administration and the remaining 90% to be distributed to health care providers for emergency medical services provided to individuals who do not have healthcare insurance and cannot afford to pay for emergency medical care and for discretionary EMS purposes. The fund compensates all physicians and surgeons who submitted qualifying claims during that year.

In the current fiscal year, the EMS Agency is experiencing an increase of physicians and surgeons registering to receive compensation from the Maddy Fund. The increase of appropriations in the amount of \$55,540 is needed to allow the EMS Agency to compensate physicians and surgeons who have submitted claims this year.

This recommended action supports the County of Monterey Health Department 2018-2024 Strategic Plan Goal (s): 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services; and 4) Engage County of Monterey Health Department workforce and improve operational functions to meet current and developing population health needs.

OTHER AGENCY INVOLVEMENT:

The County of Monterey Administrative Office has reviewed and approved the requested increase in appropriations.

FINANCING:

There will be no impact to the General Fund from this action as the additional expenditures of \$55,540 will be financed with available fund balance in the Maddy Fund (Fund 016).
